

Sweet Memories : Abha - Project 2019

We the members and well wishers from ABHA are into the 8th year of our Projects. This was marked by and celebrated with a project on the 24th of February 2019. A group of 106 primary school children in “Charabari Sardarpara Prathamik Vidyalaya” located in village Haroa were covered under this project. The children covered were from Pre-Primary class to Class IV of this school.

Our team of 14 members and well wishers, set out on the 24th of February 2019 for Charabari , to meet the children of this school and carry out our Project, centering around these children belonging to the underprivileged section of our society. Reaching there was such a joyful moment as the smiles on the little faces welcomed us. These lovely little faces motivates us that ABHA with its limited resources is capable of doing some wonderful things.

The school authorities of Primary School Charabari, in Haroa, had approached our Organization this year with a request to continue the support process for education in this academic year too. They had a specific request to provide the children of the school with woolen sweaters to protect them in harsh winter season, as their guardians find it difficult to do so.

The Project was inaugurated formally and thereafter education kits comprising of School Bag, copies (writing and drawing), pen, pencil, eraser, cutter, scale, pastel colors etc were distributed to these 106 kids. This will supplement their educational needs for the current academic year and reduce the burden of their parents. In addition to the education kits one woolen sweater was provided to each of the children. After the project the students were served lunch at around 12.30 pm.

The complete photographs and videos of the recent and the earlier projects along with infrastructure projects are available for viewing in our website “www.abha.org.in” under the tab “Album” and “Information and Updates”.

- *It as an appeal to all our Members and Well wishers to continue their whole hearted support in the days to come as the goal cannot be achieved without your active participation and contribution.*

“Let us remember: One book, one pen, one child and one teacher can change the world’
